## Number 13 is Lucky for this New Jersey Lottery Jersey Cash 5 Player

**TRENTON (June 15, 2017)** – Marta M. of Old Bridge in Middlesex County and her family were sitting around the kitchen table after dinner while her husband, Vincenzo, watched the March 13 Jersey Cash 5 drawing on television. They purchased a ticket for the drawing earlier in the day because, “number 13 has always been lucky for me,” said Marta. Vincenzo didn’t need the ticket in his hand as he watched the drawing because they use the same set of the numbers each time they play.

As Vincenzo watched the drawing, he became red in the face and started shouting excitedly. It was unclear to the family as to what was going on until they realized that their ticket numbers matched all five of the numbers drawn – beginning with lucky 13 on March 13 - winning the \$656,531 jackpot. The Jersey Cash 5 winning numbers for the March 13 drawing were: 13, 17, 18, 25 and 33. The XTRA number was: 03.

Marta plans on investing the winnings for long-term returns. She may also upgrade their hotel suite for an upcoming family vacation. Her lucky retailer is Jersey Spirit & Wine, 2285 Fairway Plaza, Route 9 North, Old Bridge in Middlesex County.

“Congratulations to Marta and her family for their exciting Jersey Cash 5 jackpot win,” said Carole Hedinger, New Jersey Lottery executive director, “and to all of our lucky players across the State.”
