THIRD TIME MAY BE THE CHARM FOR NEW JERSEY LOTTERY PLAYERS

*May 25th Powerball Drawing Produce One NJ New Millionaire
May 28th Mega Millions Drawing Saw Another NJ New Millionaire*

TRENTON (May 29, 2019) – The statement, “the third time’s the charm,” just might prove true for the New Jersey player who has a ticket for tonight’s \$325,000,000 Powerball drawing.

It’s a winning climate in the Garden State, with two recent million dollar winners from the multi-state games: one from the Saturday, **May 25th** Powerball drawing and another from Tuesday, **May 28th** Mega Millions drawing. In addition, one lucky player won the May 26th \$870,825 Jersey Cash 5 jackpot.

Don’t miss out on this opportunity for your chance at tonight’s big Powerball jackpot! *Anything can happen in Jersey!* You only need one ticket to be “in it to win it,” and, with a little luck, the third time just might be the charm.

With the two multi-state game jackpots totaling \$769,000,000, New Jersey Lottery retailers are experiencing busy days and players are enjoying exciting times.

While it’s fun to dream big, players are urged to remember that playing the lottery is a form of entertainment and to keep in mind the importance of playing responsibly.
