NEW JERSEY LOTTERY EXPANDS CASH4LIFE TO DAILY DRAWINGS

TRENTON (July 1, 2019) – Beginning today, the New Jersey Lottery will expand drawings for the **CASH4LIFE** game to seven nights per week, giving players more chances to win the top prize of \$1,000 a day – for life! Starting with tonight’s drawing, **CASH4LIFE** will be drawn every night at 9 p.m. Drawings can be viewed online at Livestream.com/Cash4Life.

Players should be on the lookout in weekly newspapers throughout the state the weeks of July 1 and July 8 for a **CASH4LIFE** Buy-One-Get-One Free coupon insert.

CASH4LIFE is the first draw-based game to offer “for Life” prizes in New Jersey and has proven to be a fan favorite. It offers players two jackpot prizes for the \$2.00 ticket price. The top prize is \$1,000 a day for life, and the second prize is \$1,000 a week for life. **CASH4LIFE** also offers seven other prize levels, with prizes ranging from \$2 to \$5000. In 2017, the **CASH4LIFE** game received an add-on feature – **DOUBLER**, providing players with the opportunity to double all non - “for Life” prizes by adding the feature to their ticket for an additional \$1 per play, per draw.

Players select five numbers from a field of one through 60, and then select a “Cash Ball” from a field of one through four. Tickets are \$2 each and may be purchased up until 8:45 p.m. on the day of the drawing. Drawings will be held nightly at 9:00 pm.

In June 2014, **CASH4LIFE** was launched in New Jersey and New York as a multistate lottery game. The other states that later joined the game are: Florida, Georgia, Indiana, Maryland, New York, Pennsylvania, Tennessee, and Virginia.

View all New Jersey Lottery game winning numbers and drawings for the Pick-3, Pick-4, Jersey Cash 5, Pick-6, CASH4LIFE and 5 Card Cash games on the Lottery website (www.NJLottery.com) or on the official Lottery Facebook Page.

New Jersey Lottery reminds residents that playing the lottery is only a game and urges players to play responsibly.
